

SHIKSHYAN STUDY POINT

Competitive Exam Foundation

COMPETITIVE

Class 9 onwards

Who this is for

Students planning government or competitive examinations

Programme Purpose

Build the common aptitude base required before target-specific competitive exam preparation.

Core Modules

- Quantitative aptitude
- Reasoning
- English/language skills
- General awareness habits
- Diagnostic and practice tests

Delivery Framework

Concept foundation, guided practice, regular revision, diagnostic checks, doubt support and progress review. Exact batch duration, fee and timetable are controlled from the live Admin catalogue.

This is an institute programme framework, not an official external exam syllabus. Where an external exam is involved, the current official notification/syllabus takes precedence.
