

SHIKSHYAN STUDY POINT

Class 6-8 Academic Foundation

ACADEMIC-6-8

Class 6-8

Who this is for

School students who need stronger basics

Programme Purpose

Strengthen core school concepts, homework routine and learning confidence.

Core Modules

- Mathematics fundamentals
- Science concept clarity
- English/language support
- Study routine and homework support
- Revision and periodic tests

Delivery Framework

Concept foundation, guided practice, regular revision, diagnostic checks, doubt support and progress review. Exact batch duration, fee and timetable are controlled from the live Admin catalogue.

This is an institute programme framework, not an official external exam syllabus. Where an external exam is involved, the current official notification/syllabus takes precedence.
