

SHIKSHYAN STUDY POINT

Class 9-10 Board Foundation

BOARD-9-10

Class 9-10

Who this is for

Students preparing for strong school and board performance

Programme Purpose

Create a stable Class 9-10 academic base with exam-focused revision habits.

Core Modules

- Mathematics practice
- Science concept + numericals
- Social Science answer writing
- Language/English support
- Board-style revision and tests

Delivery Framework

Concept foundation, guided practice, regular revision, diagnostic checks, doubt support and progress review. Exact batch duration, fee and timetable are controlled from the live Admin catalogue.

This is an institute programme framework, not an official external exam syllabus. Where an external exam is involved, the current official notification/syllabus takes precedence.
